Awards:

**Open winner will receive 10% of entry fees for that match.
First in class will receive 25% of entry fees for that match.
Second in class will receive 15% of entry fees for that match.
Third in class will receive 10% of entry fees for that match.**

Open winners will not be eligible for class awards in that match.

If there are less than 4 competitors in a class, then that class will be combined with the next higher class. If there are less than 4 Masters, they will compete for open awards only.

Competitors will be responsible for posting and repairing their own targets.

**Competitors will score targets after each target is fired.
Use of scoring plugs is restricted to range personnel only.**

Challenges:

A one dollar fee will be charged. If the challenge is sustained, the one dollar fee is returned to the competitor. The decision of the match director will be final.

Thank you for your interest in our match. I hope to see you there.

Dennis Afton
