2006 PENNSYLVANIA YOUTH EDUCATION SUMMIT

At the 2006 PA NRA Youth Education Summit, youth learned to shoot muzzle loaders and other rifles.

glers' Association range. The club, affiliated with the NRA and with flint lock muzzle loading rifles and other firearms.

North Harrisburg American Legion Post 1001 (NRA and PRPA affiliated) also worked to ensure that the youth had an opportunity to learn about historic US military firearms, including the M1 Carbine, the M1 Garand, and the current service rifle. The Post provided ammunition and other support to the program.

NRA staffers said the youth who participated in the 2006 Pennsylvania YES were one of the best groups to date. We are proud of our youth and congratulate the NRA for a well run educational program.

Your club should look to the 2007 PA YES and begin screening candidates now. The NRA is looking for 20 high school sophomores and juniors, each with a minimum grade point average of 3.0. For more information or to request an application packet, contact Kory Enck (Eastern PA NRA Field Representative, 717-665-0600, kenck@nrahq.org) or Tom Baldrige (Western PA NRA Field Representative, 724-861-0447, tbaldrige@nrahq.org).

Pennsylvania's National Rifle Association Youth Education Summit (YES) took place in Harrisburg from April 6-10, 2006. Open to Pennsylvania high school sophomores and juniors, the applicants were judged on grade transcripts, references and constitutional essays they wrote for the competitive entrance process. This four-day scholastic leadership program accepted 16 youth (four girls and 12 boys) from across the Commonwealth.

The goal of the program is to encourage youth to become active and knowledgeable citizens involved in the political process. The students had an opportunity to learn about Pennsylvania history, tour the Capitol, the National Civil War Museum, and the Pennsylvania Game Commission Headquarters.

They met with staff from both the Pennsylvania General Assembly and the Governor's office to discuss the process of writing and enacting laws and constitutional amendments. The youth received an introduction to public speaking and engaged in a debate competition. One of the program highlights was to receive gun safety and marksmanship training at the Harrisburg Hunters' and Anglers' Association range. The club, affiliated with the NRA and the Pennsylvania Rifle & Pistol Association, provided instruction

PRESIDENT'S LETTER

As noted in the March/April 2006 *Shooting News*, the Pennsylvania Rifle and Pistol Association has completed action to divide the state into (8) eight regions and to establish a Regional Director for each region. At our spring meeting, several minor changes were made to the state regional maps whereby Butler County was moved from the Southwest to the Northwest Region and Perry County was moved from the Southcentral to the Capitol Region. These changes were recommended to better serve the two counties mentioned due to their geographical locations.

At my request, Joel Dutra did a fine job in preparing a Regional Director job description which was approved at the spring meeting. This description is as follows:

REGIONAL DIRECTOR

Appointment – Regional Directors will be appointed by the president and approved at the earliest meeting of the Board of Directors.

Objective – to increase membership and activity in the shooting sports and positively impact the Second Amendment.

Goal – to promote the mission of the PA Rifle and Pistol Association, the NRA, U.S.A. Shooting and all other affiliate clubs and organizations of the P.R.P.A. in accordance with stated policies of the organization.

Duties –
To facilitate communication between the P.R.P.A., the public, all sportsman's groups, news organizations, educational facilities and law enforcement organizations within his/her region and aggressively pursue their affiliation and active support to promote a positive perception of our sport.
To coordinate shooting sports events and promote improvement in range facilities and the quality of competitive events in each discipline.
To maintain an up-to-date calendar of events to be forwarded monthly to the web director for publication.

In order to help support the efforts of the (8) Regional Directors, Joel also recommended that each director create a committee to perform the following individual duties within each region:

Club Coordinator – promote individual and club membership.

Publicity Coordinator – to open lines of communication with newspapers, radio/TV stations; provide updates for the P.R.P.A. website.

Smallbore and Air Rifle Coordinator

Pistol Coordinator

High Power Coordinator

Training Coordinator

Remember, this is your organization. Even if you don't actively compete in one or more of the shooting disciplines, your help is needed to assist, train, sponsor, coach and otherwise create an awareness of the Pennsylvania Rifle & Pistol Association throughout all of Pennsylvania. And now with the development of the Regional approach, travel distance is not the factor preventing each of us from becoming involved. Become an active volunteer!

2005 JUNIOR HIGH POWER AT CAMP PERRY
submitted by Joe Paradisi, Junior High Power Director

Congratulations to our Junior Highpower Rifle teams representing Pennsylvania at Camp Perry in the 2005 Nationals! In the Presidents 100, we had six out of the Top 100 Juniors! In the NTI match, Jordan Whitman received points toward the EIC awards and has now legged out. Our Gold and Blue teams finished in the top 20 in the 6-man team competition--7th and 12th places, respectively. In the Whistler Boy competition, we had nine teams competing with two finishing in the top 20. Lea Downsbrough and Pierre LeClair finished in 9th place with a score of 943-20X; their Coach was Col Michael Pollock. The team of Reed Dunkle and Joe Lucas (coached by John Sylvester) finished in 12th place with a score of 941-17X. The other teams also performed quite well. My hat is off to all the junior shooters who came out for the National Competition--I have never worked with a more dedicated and well-behaved group of juniors!

A special thanks to the senior team for volunteering to coach our junior teams. A big thanks to the parents of the juniors who worked as pit pullers and score keepers. And an even bigger thanks to the support people who didn't even have any ties to the juniors. The accompanying table shows a listing of the firing members from the 2005 PRPA Junior High Power program.

BLOYER WINS BPCR SILHOUETTE MATCH AT McDONALD SPORTSMEN'S CLUB

Submitted by Andrew Knez, Jr.

On April 1, 2006, thirty-eight competitors tried to defeat each other and difficult conditions, but Virginian, Bob Bloyer, shot an outstanding score of 34/40 which easily propelled him into the winner circle. Current National Champion, Brian Chilson took 2nd Open with a score of 31/40 and Roger Tremba took 3rd Open with a 30/40. Dave Heeter won master class after a short shoot-off with John Whitcomb who settled for 2nd Master. John Heeter won a shoot-off to take 1st AAA over Bill Simmen who finished 2nd AAA. A shoot-off for 3rd AAA was won by Andy Knez over Tim Trunick. Dave Schwartz won AA class outright and Debra Hovatter, firing a newly rebarrelled rifle for the first time, took 2nd AA. The combined A & B class was won by John Kyle and Chuck Fagnert took 2nd A & B. Not to be outdone by his sons, Ed Heeter won the scope class and Richard McDonald took 2nd in that class.

Many new, as well as experienced, shooters are very interested in the guns and equipment used by the top competitors. Below is what Bloyer used to win the match, although his and his spotter's expert condition reading must be added to the equation. Bloyer used a Meacham Highwall rifle with a 32" #4 Badger barrel in caliber 45-70. For his prone silhouettes he used Starline cases, Federal #215 primers, 65 grains of 2F Swiss powder, Paul Jones creedmoor 545 grain 30 to 1 bullet and SPG lube. For his off-hand silhouettes, he used Winchester cases, Federal #215 primers, 72 grains of Goex cartridge powder, Paul Jones 500 grain 30 to 1 bullet and SPG lube.

**NRA JUNIOR 3-POSITION INDOOR SMALLBORE RIFLE SECTIONAL
AND INTERNATIONAL AIR RIFLE SECTIONAL**

Submitted by: David Cramer, PRPA Smallbore Director.

Frazier Simplex Rifle Club of Washington, PA conducted two separate Junior Rifle Sectionals on the weekend of 11-12 March 2006. The Junior 3-Position Indoor Sectional, a smallbore rifle event, consisted of 60 shots. 20 shots each were recorded in the Prone, Standing, and Kneeling positions. The Junior Air Rifle Sectional, a 10 meter air rifle match, consisted of 40 shots from the Standing position. The two sectionals are an excellent combination of events, since many junior shooters train both smallbore and air rifle. Also, most collegiate competitions, and a number of other junior matches use the same combination of smallbore and air rifle matches. The Frazier Simplex club alternated smallbore and air rifle relays to permit shooters the option of shooting both matches on consecutive relays. There were a number of shooters that shot only the Smallbore Sectional, and a few shooters who chose to shoot just the Air Rifle Sectional. 47 shooters took part in the competitions.

The 3-Position Junior Smallbore Sectional had some excellent scores fired during the two days of competition. Tommy Santelli, Washington, Pa., and a Frazier Simplex Jr. Club member, topped the field with an excellent 591-36c score. Second over-all was Michael Kulbacki, Dubois, Pa. shooting with DuBois Jr. Rifle Club. His score was 581-30c. In third over-all was another Frazier Simplex Jr shooter, Elizabeth Leckie. Liz also fired 581, with 2 fewer center shots used to break ties (28c).

DuBois Storm Team
L to R: Christina Dutra, Justin Pentz, Michael Kulbacki, Emily Holsopple

First Place Junior was Kyle Smith, Dubois, Pa. with 580-31c.

First Place Intermediate Junior was Justin Pentz, Dubois, Pa. with 577-27c.

First Place Sub-Junior was Emily Holsopple, Wilcox, Pa. with 574-29c.

Emily Holsopple
Junior Air Rifle Sectional Winner

The 3-Position 4-Member Team match was won by the Dubois Jr. Rifle Club. The DuBois "Storm" team was composed of Justin Pentz (577), Christina Dutra (572), Michael Kulbacki (581), and Emily Holsopple (574). Their four person team aggregate of 2304-110c exceeded the current NRA Intermediate Junior National Record. The Second Place Team was Frazier Simplex "Gold" with a score of 2275-96c. Third Place Team was Frazier Simplex "Silver" with a score of 2163-78c.

The Air Rifle Junior Sectional winner over-all was Emily Holsopple. She fired a fine score of 386. Michael Kulbacki, finished second with 383, and Kyle Smith, was third over-all in a tie breaker, with 383.

First Place Junior was Tommy Santelli (383).

First Place Intermediate Junior was Justin Pentz (383).

First Place Sub Junior was Brent Books (358).

The Air Rifle 3-Member Team match was won by Dubois Storm (Thunder): Emily Holsopple (386), Michael Kulbacki (383), and Christina Dutra (376) compiled a total of 1145 for a winning aggregate.

Second Place Team was Dubois Storm (Lightning) with an aggregate of 1135.

Hempfield Area High School was well represented at the sectional, being able to field three teams in the team competition. Hempfield Rifle Team #1 was the winning Scholastic Team. Team members were Lucas Boord (377), Adam Ligus (351) and Don Ausec (342). Their winning scholastic team total was 1070.

These two sectional matches will be submitted to the National Rifle Association where the scores fired locally will be compiled into separate National Junior Championships. Our local winners have fired excellent scores and should place very high in the national competition.

PA SHOOTERS FARE WELL AT NATIONAL JUNIOR OLYMPICS

Submitted by Tommy Santelli, Competitor

Pennsylvania shooters had a strong showing at the National Junior Olympic Championships held in Colorado Springs, CO, March 17-23 for men's events, and March 23-29 for women's events. Everything started with the Men's 10M Air Rifle event. On the first day, Chris Abalo of the US Military Academy set the pace with a blazing 597; Jonathan Hall of Georgia came in at 2nd place with a 593 and Thomas Santelli (Washington, PA) rounded out the field with 591 for 3rd place. The second day of competition saw a change in standings with Hall overtaking Abalo for 1st place heading into the finals; Hall had a 594 score for Day 2 for a match total of 1187, and Abalo tallied a 589 Day 2 score for 1186 match aggregate and a 2nd place heading into finals. Wesley Hess--also from the Military Academy-- tallied 588 and 590 scores for 1178, giving him 3rd place for the finals. Santelli had a 2nd day score of 578 for an 1169 match score and 8th place for a spot in the finals. The other competitors who made the finals were: 4th--Scott Franz of CO, 5th--Bryant Wallitzer of MD, 6th--Phillip Huckaby of GA, and 7th--Joseph Hall of Jacksonville State University. After finals were over, the standings changed slightly with Santelli moving up to 7th and Wallitzer overtaking Franz for 4th; the medals spots remained unchanged. PA's Mike Kulbacki placed well, winning the silver medal for J2 and placing 9th overall, just missing the finals by 2 points. Also competing from PA were Cody Rutter (1156 for 18th), Matt Hamilton (1152 for 24th), Justin Pentz (1150 for 28th), Kenny Ridge (1135 for 43rd), Bill Coldren (1102 for 77th), and Jed Niedigh (100 for 78th).

Tommy Santelli

On the following day competition resumed with the Men's Smallbore events taking place. After it was all said and done, Abalo led the prone event with 1191 match total, 593 and 598 each day. Santelli was followed up with 1183 (591 and 592). Jason Dardas of University of Kentucky rounded out the field with a 590 and 592 for 1182. Rounding out the rest of the finals was: Brian Kern (Philadelphia PA) with 1179, Joseph Hall--1177, Ray Geyer of Kentucky--1176, David Sprecher of the Army Marksmanship Unit--1173, and Scott Franz--1172. The finals brought little change with Geyer overtaking Hall for 4th place. The prone champion was Abalo with a 102.8 final for 1293.8. The silver medal went to Santelli with a 103.3 for 1286.3; the bronze went to Dardas with 102.4 for 1284.4. Justin Pentz (Rockton PA) also took the silver medal in the J2 category with 1169, also good enough for a 10th place finish overall.
