### **LE WINS 1800 PISTOL MATCH**

*Submitted by Eric L. Poole*

We had a great turnout and a lot of fun at the NRA Indoor Capitol 1800 Conventional Pistol Match held on November 12-13, 2011 at Harrisburg Hunters' & Angler's Association, Harrisburg, PA.

Fifty-seven shooters from Pennsylvania, Delaware, Maryland, and Virginia competed for top prizes during four relays of .22 rim fire and center fire matches fired at 25 yards at the indoor range.

After all scores were tallied, Kent Le from Chantilly, VA was the match winner with a score of 1767-94x. He was awarded a very nice trophy plaque and medal for being the overall winner.

Mathew Buckman from Lovettsville, VA, was 1st Master with 1743-69x; Barry Garver from Red Lion, PA, was 1st Expert with 1710-47x; Daniel Kubar from Whitehall, PA was 1st Sharpshooter with 1679-44x, and James De-Shields from Mechanicsburg, PA was 1<sup>st</sup> Marksman with 1628-33x. They each received a Blackinton medal for their accomplishments.

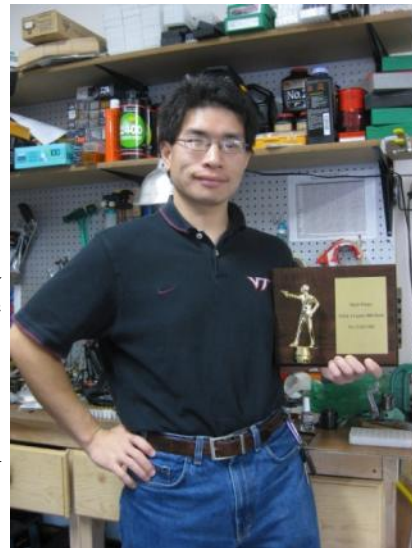

Four Special Category awards were also given out. George Jatras from Camp Hill, PA, was High Grand Senior with 1598-31x; Ed Grove from Pasadena, MD was High Senior with 1724-64x; Linda Newcomer from Brinklow, MD was High Woman with 1545-17x; and Andrew Hardison, from Harrisburg, PA, was High Junior with 1061-3x. They each received a trophy or medal for their fine shooting.

Congratulations to all winners, and thanks to everyone for coming out to shoot with us.

Also, many thanks to all of the volunteers who helped in the setup/teardown of the range and running of the match, and to the kitchen staff who put on a great lunch both days. We could not have done the match without you!

Thanks also to Tom Pellegrinni, John Zebel, and Tony Brong for calling the line, and to Dick Anglin, Dennis Dyckman, Steve Miller, Eric Poole, and Tom Pellegrinni for being Range Officers, and Dermind McDonald for scoring.

And, very special thanks go to Gary Bartell for directing the match and to his wife Adrienne for her super statistical support!

### **THE MOST DANGEROUS THREAT**

Potentially, a government is the most dangerous threat to man's rights; it holds a legal monopoly on the use of physical force against legally disarmed victims. When unlimited and unrestricted by individual rights, a government is man's deadliest enemy. It is not as protection against private actions, but against governmental actions that the Bill of Rights was written. -- Ayn Rand, "The Virtue of Selfishness," 1964

## PRESIDENT'S LETTER

Now that we have put away our hunting rifles and flintlocks, paid our Christmas bills, recovered from New Year's Eve, forgotten all of those Bowl games and settled down for a long winter's nap, we now have an opportunity to thoughtfully prepare for the new year ahead of us.

I've been told that if you can evenly divide the present year by four, that we will have a presidential election in the Fall of that year. Further, that general election will occur on the first Tuesday after the first Monday in November. I seem to have been hearing some distant rumblings of the beginnings of electioneering happening in the far distant parts of our land. Have you heard anything yet? If you hadn't noticed, another important political event has already occurred which may greatly influence the upcoming election. As you know, every ten years a national census is taken and the results of that census allows the states to reapportion their representative districts and change the district boundaries as determined by the majority political party in each state. This process has been completed and many of us have found that we now are represented in the Pa. House and Senate or the U.S. Congress by someone we do not know and had not voted for in any previous election. This is a good time to evaluate that new district map, see if your representatives and state senators have changed and to visit their local offices to make yourself known. Determine if they support your position on the Constitution, Bill of Rights and the Second Amendment and apply that "grassroots" pressure.

The Friends of NRA Banquets will soon begin again throughout Pennsylvania. Arrange to support and/or attend a banquet in your area. Contact our NRA Field Representative, Kory Enck or Tom Baldrige or refer to the NRA magazine to find a location near you. The proceeds from these banquets are used to support youth and shooting education programs throughout Pa. They also provide an evening of fun, entertainment and opportunity to meet new friends. Kory and Tom will also give you details about how you can help your local Committee or even to set up a new Committee in your community.

Shooting programs are continuing throughout Pa. Scholastic Smallbore and Air Rifle teams are expanding and a number of local clubs are supporting additional junior shooters and shooting events. PRPA supported organizations are developing numerous juniors with the potential to become national champions. Stop at your local club and volunteer to help. It's quite rewarding to watch these young shooters compete and win.

And finally, support and become involved in the activities of your Pennsylvania Rifle & Pistol Assn. We need help in all of the various shooting disciplines as well as in the administrative and political activities in which we are involved. Consider attending our Spring meeting in March. Refer to our Newsletter for details on location and date. If you don't know someone who will be attending, contact one of our officers for help. Get involved! Start now!

## PA JUNIOR INTERMEDIATE SMALLBORE RIFLE CAMP

Are you a junior shooter looking to shoot at the next level? The smallbore camp is designed to assist intermediate shooters with their current skills to improve positions and scores. Our experienced coaching staff offers one-on-one coaching and group instruction. We will be using the SCATT system again this year to critique position and natural point of aim. This is a great opportunity to meet other shooters across the state who also enjoy shooting. This camp is supported by the Pennsylvania Rifle & Pistol Association and by a grant from the NRA Foundation.

The 2012 camp will be held June 12- 16 at Indiana University of Pennsylvania. All shooters and chaperones will have lodging and meals on IUP's campus and shoot on the 10-point range at the Indiana Fairgrounds. Camp is \$400 per shooter, to cover expenses throughout the week.

Applications will be available starting January 15, 2012. To receive an application and additional information, please call or email Julie Vavreck at 814-602-5889 or [pajr.rifle@gmail.com](mailto:pajr.rifle@gmail.com)
